Hello,

I'm Thamizh Elakkiya

Wall Mural Artist

Hello! I am the artist behind Kalai suvadu. I love turning plain walls into beautiful, colorful stories. My goal is to create large-scale murals that completely change how a room feels, bringing creativity and positive energy to everyday spaces.

ROLE: Lead Mural Artist

TIMELINE: 2.5 Days

LOCATION: Tanjore

Celebrating timeless beauty and heritage, this mural integrates classic Tamil cultural themes into a modern environment. Using bold colors, the piece highlights the intricate details of traditional attire and floral adornments, creating a striking, expressive focal point that honors local aesthetics.

Project 2

ROLE: Supporting Mural Artist

TIME: 2.5 Days

LOCATION: Mayiladuthurai

Collaborating alongside Team Zaravi, this project in Mayiladuthurai focused on creating a serene, large-scale Buddha mural. As a supporting artist, I helped bring this peaceful composition to life, blending soothing earth tones with a vibrant lotus motif to create a calming focal point for the space. A proud addition to the growing Kalai suvadu portfolio.

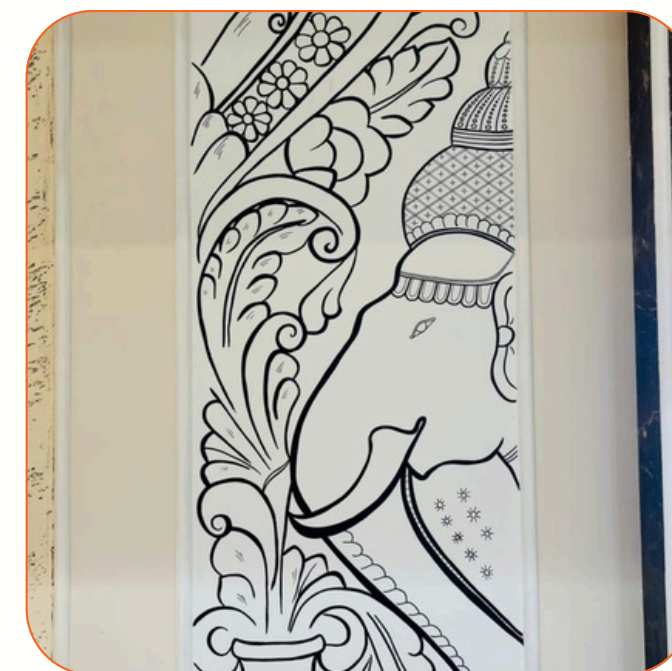

Project 3

As the Lead Mural Artist for this project in Kumbakonam, I designed and sketched this intricate Radha Krishna wall art. Over three days, I focused on drawing clear, detailed outlines of the divine couple to set a strong foundation for the final mural.
